CAMP HOPE MEDICATION USE & PERMISSION FORM

IMPORTANT NOTICES

- Medications for any individual will be administered by nurses at Camp Hope.
- All medications MUST be handed in to the nursing staff upon arrival at Camp Hope along with signed medication permission forms. Plan to review med administration with nurse and your child.
- If an individual must carry an emergency medication such as an inhaler or Epi-pen, the doctor must provide specific permission/instructions for carrying and self-administering the medication at camp.
- Prescription drugs must be in the original bottle, with date for this year and labeled for the specific individual. Label every prescription box/non-prescription container/equipment with participant's name.
- Package all medications in a large Ziploc bag and label with participant's name.
